## DanceFiber, the new natural brand for dance, yoga, fitness and well-being

Since 2016, DanceFiber offers dance and sportswear clothing 100% made of natural materials. At the origin of the project, Lucia, textile engineer and dance teacher, who strives to conceive in the most responsible way clothing collections for those who are passionate of dance, who practice yoga or fitness, or just for those who wants to wear comfortable and breathable clothing.

The quality of DanceFiber products results from the expertise of its founder in the choice of materials and the engineering of garments. With a production made in small workshops in France and Italy, and through the use of organic cotton (GOTS), recycled fibers and natural dyed wool, DanceFiber will delight amateur dancers as well as the more demanding professionals.

Thanks to the use of natural and safe materials, the DanceFiber range of clothing is ideal for people with sensitive skin or for those who are intolerant to synthetic materials. In addition to letting the skin breathe during physical activity, the use of natural fibers also helps regulate the body temperature and prevent muscle injuries associated with the sport activity. With its clean design and quality materials, DanceFiber clothes are designed both for sport and for use in everyday life.

DanceFiber wants to limit textile manufacturing waste by using end-of-series fabrics and its own cutting process falls to manufacture mini-collections for children or accessories.
