## BORN IN THE CITY, INSPIRED BY THE ELEMENTS, FUELED BY TECHNOLOGY

Taking outerwear to the next level in URBAN, SUSTAINABLE and HIGH PERFORMANCE style. This GLOBAL, PREMIUM LINE is made for the FASHION FORWARD - for those who value aesthetics as well as exceptional functionality and ethical production standards.

Consisting of a waterproof and windproof outer jacket and an insulated inner jacket for full protection against the elements. Wear together for maximum effect against the cold, rain, wind and snow. Layers can be split and worn separately making this a versatile piece.

Each garment featured here is constructed from our 100% recycled main material -Texapore Ecosphere. 100% PFC free and insulated with the highest quality RDS certified down. We are serious about limiting our impact on nature to allow it to be enjoyed by future generations.

RECYCLED

# THE FIRST -100%

Texapore Ecosphere is 100% recycled outer material, membrane + lining.

Triple protection: 3 times as sustainable + 3 times as strong.
